THE LINK BETWEEN PRESCHOOL OPTIONS AND THE IEP

WORKSHOP DESCRIPTION

Participants will be able to:

- ⇒ Name three factors that make preschool options important in Wisconsin.
- ⇒ Define the important role of general educator (child care provider, Head Start or Preschool staff, 4K or Kindergarten teacher) on the IEP team for preschool children.
- ⇒ Write a present level of educational performance using information from all team members that includes a baseline for functional goals.
- ⇒ Write functional goals based on a child's needs.
- ⇒ Write a plan for services that is based on child's needs, addresses child's goals and considers Least Restrictive Environment issues (general education curriculum and general education environments).
- ⇒ Write a team plan for implementation in their district.

Participants are required to bring a current IEP to use during the training.
(Please be sure to cross-out identifying information.)
